

HEALTH, SAFETY & WELLBEING

APEX LIFTS

a CAPITAL success

At Apex Lifts, health and safety is paramount. Not just of our employees, but the thousands of people who use the lifts we manufacture, service and maintain. As well as ensuring Apex Lifts always complies with current health and safety legislation, we try to go the extra mile to ensure the wellbeing and happiness of the Apex team, too.

schemes. Involving pre-qualification assessments and annual audits, it gives our customers complete peace of mind that we offer the ultimate in safety.

encouraged to take part in a keep fit programme conducted by a qualified personal trainer, who comes along to the Apex office to get everyone moving. Employees are also welcome to use free gym passes for the local Rowhill Spa and Gym.

AN OPEN DOOR

By operating an open-door philosophy, Apex Lifts looks to continually improve its working environment, encouraging all of the enthusiastic Apex team to share their innovative ideas and to have the opportunity to see these turned in to real-life solutions that'll benefit our staff and customers.

AWARD-WINNING SAFETY

Apex Lifts is proud to participate in a number of health and safety assessment

This year, Apex Lifts received the RoSPA Gold medal award from the Royal Society of Prevention of Accidents. The RoSPA Gold medal is a rare accolade presented only to organisations that have achieved at least five consecutive RoSPA Gold awards.

SAFETY PRECAUTIONS

Our health and safety management system forms the back bone of our company and is integrated into everything we do. The entire Apex team is committed to making sure all the risks associated with our company's day-to-day activities are effectively controlled.

hydraulic lifts, providing a second layer of protection, in the rare event of malfunction.

A HEALTHY WORKPLACE

Not only do we want our staff to be safe, we also want them to be happy and healthy. That's why we've focused on incorporating health and fitness into the Apex Lifts workplace.

We are always on the look out for new opportunities to improve our already high standards of safety. For example, Apex Lifts now offers gate lock valves for all

We receive a delivery of fresh seasonal produce every Tuesday, to provide healthy snacks for our hardworking employees. And on Wednesdays, office staff are
